ERGO SUPPORT

Optimize your posture for health and comfort while using a microscope.

Lumbar-Friendly Back Support: A compact marvel that effortlessly nestles into your lumbar region, providing the comfort you deserve.

Dynamic Armrests: Experience the elegance of rotating curved armrests, generously cushioned from elbow to wrist, ensuring optimal support while keeping you focus on your work.

- **Ergo Shape Seating:** Score Ergo Shape seat, with its subtly recessed edges, encourages an active sitting posture—productivity thrives on comfort.

Swing Mechanism Armrests: Customize your comfort. The armrests can swing back individually, adapting to your unique needs.

Tailored Adjustments: Effortlessly tweak height, seat angle, and back angle to find your sweet spot for focused work.

Sturdy Foundation: A robust aluminum base, paired with large castors, ensures smooth mobility across any workspace.

Optional Foot-control Height Adjustment: Elevate your experience with the convenience of foot-controlled height adjustments (optional feature).
